

# GLOBAL

ENVIRONMENTAL ENGINEERING INC.

## CAPABILITIES

BIG OR SMALL, WE ALL CAN  
MAKE A WORLD OF DIFFERENCE.

Global Environmental Engineering, Inc. is a small business enterprise located in Michigan. A full service environmental consulting firm, Global specializes in waste water treatment and environmental investigations.

Incorporated in 1992, Global has over 30 years of experience providing environmental services to clients across the country. The variety of projects completed by Global has resulted in a firm that is well versed in environmental regulations at all levels (local, state, and federal). Global's diverse expertise has led to the successful completion of numerous projects in both the public and private sector. The work force at Global includes professional engineers, biologists, geologists, certified groundwater professionals, certified asbestos inspectors, certified construction site stormwater operators, and 40 Hour HAZWOPER trained personnel.
